

Stop The Hiccups Spell

Uh oh, the Shuffler has the hiccups. When the Shuffler hiccups, the order of things gets all shuffled up. And this time, her hiccups shuffled the parts of Princess Presto's spellbook story. We need to put the story back in order so the magic spell can make the Shuffler's hiccups go away!

Instructions

- Cut out the spellbook story pages (on page 2 and 3).
- Introduce the story. Say:
 - *Once upon a time, Prince Pumpkin couldn't stop hiccuping, so Princess Pumpkin went looking for something that would make him feel better.*
- **HICCUP!** and shuffle up the story pages.
- Ask your child to put the story pages back in the right order. Say:
 - *What happened first? Next? Last?*
- Once the story is back in order, act out each step to successfully stop the Shuffler's hiccups!
- Use the blank storybook pages (on page 4 and 5) to create and shuffle up your own stories!

Story Sequence

- **"First,** she floated to the top of Reader Mountain to pick purple flowers."
- **"Next,** she rolled down the mountain into a frog-berry patch to make the berries sparkle."
- **"Last,** Prince Pumpkin smooshed a sparkly berry on his head... and his hiccups stopped."
