Learn at Home with PBS KIDS

**Week of
March 8th**

Hello, Families!

Welcome to **Learn Along Bingo!** We're happy to share PBS KIDS activities with you and to work with PBS member stations and community partners across the country to help support learning at home. With Learn Along Bingo, children can view, explore, and play as they learn alongside their PBS KIDS friends on the PBS KIDS 24/7 channel. We hope your family will use it to inspire learning each and every day.

It's Growing as a Writer Week!

In this packet, there are printable activities and everyday learning ideas for you and your child to choose from. As you complete each square, mark it off to celebrate the learning.

Learning Spotlight: Growing as a Writer

Children write to express ideas using letter-like shapes, symbols, letters and words. We learn that writing is meaningful.

Show What You Know: Synonym or Antonym

The last activity in this packet is a perfect way for children to learn that the words they choose are powerful.

Tune in: Watch XAVIER RIDDLE AND THE SECRET MUSEUM at 7pm ET on Tuesday, March 9th on the PBS KIDS 24/7 channel.

Ready for more? Watch your favorite PBS KIDS shows on the 24/7 channel and live stream at pbskids.org/video/livetv or on your local PBS station.

Synonym or Antonym?

Name _____

A Card Game

Becky's friend Violet loves to play cards. You can play a card game using synonyms and antonyms. You'll just need to create a set of cards and then spread them out upside down to play. Here's how!

Remember, ask someone to lend a hand if you need help to come up with words, write the words, or cut out your cards. You can even make this a two person game by working together to find the synonym or antonym word pairs.

1. Take a piece of paper and fold it in half four times. When you open it, you'll see there are 16 rectangles on the paper.
2. Then, make up a list of 8 sets of words with a synonyms or antonym pair (we started a list for you below)

WORDGIRL

- a. A synonym is a word that means the same thing as another word.
For example, fast and rapid mean the same thing.
- b. An antonym is a word that means the opposite of another word.
For example, hazy and clear mean the opposite of one another.

3. Using just one side of the paper, write one word from your word pairs in each blank rectangle.
4. Cut out the rectangles. Now you have cards with words on one side and nothing on the other side.
5. Mix up the cards and place them face down in front of you.
6. Turn over pairs of cards to find pairs of synonyms or antonyms.
7. When you find a pair, put it to the side.
8. Keep going until you've found all the synonym or antonym pairs.

My Synonym or Antonym List

Word	Synonym	Antonym
Unruly	Disordered	
Repulsive		Attractive
Adhesive	Sticky	
Include		Exclude
