**Week of  
March 8th**

## **Hello, Families!**

Welcome to **Learn Along Bingo!** We're happy to share PBS KIDS activities with you and to work with PBS member stations and community partners across the country to help support learning at home. With Learn Along Bingo, children can view, explore, and play as they learn alongside their PBS KIDS friends on the PBS KIDS 24/7 channel. We hope your family will use it to inspire learning each and every day.

### **It's Growing as a Writer Week!**

In this packet, there are printable activities and everyday learning ideas for you and your child to choose from. As you complete each square, mark it off to celebrate the learning.

### **Learning Spotlight: Growing as a Writer**

Children write to express ideas using letter-like shapes, symbols, letters and words. We learn that what writing is meaningful.

### **Show What You Know: When I Grow Up**

The last activity in this packet is a perfect way for children to use letters and words to express ideas.

**Tune in:** Watch CLIFFORD THE BIG RED DOG at 9:30am ET on Tuesday, March 9th on the PBS KIDS 24/7 channel.
