Cut out and fold the fortune teller.

Choose a number or an object to reveal your fortune!

## How to Fold Your Fortune Teller

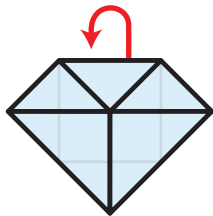

1) Cut out the fortune teller along the dashed line.

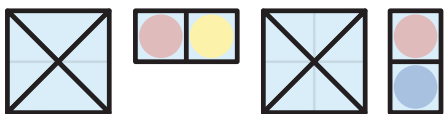

2) With the plain side facing up, fold each corner towards the center.

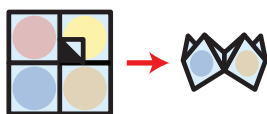

3) Turn the paper over so that the pictures are facing down.

4) Fold each corner to the center.

5) Fold and the square into a rectangle and unfold it. Repeat.

6) Slide your thumb and index fingers into the squares to open your fortune teller!
