Learn at Home with PBS KIDS

**Week of
April 26th**

Hello, Families!

Welcome to **Learn Along Bingo!** We're happy to share PBS KIDS activities with you and to work with PBS member stations and community partners across the country to help support learning at home. With Learn Along Bingo, children can view, explore, and play as they learn alongside their PBS KIDS friends on the PBS KIDS 24/7 channel. We hope your family will use it to inspire learning each and every day.

It's Community Helpers Week!

In this packet, there are printable activities and everyday learning ideas for you and your child to choose from. As you complete each square, mark it off to celebrate the learning.

Learning Spotlight: Community Helpers

Children will learn people have the power to help each other. Learning how to work together helps communities grow stronger.

Show What You Know: Our Circle of Care

The last activity in this packet is a perfect way for children to learn about the people who care about them and work to keep their family safe.

Tune in: Watch DANIEL TIGER'S NEIGHBORHOOD at 4:30pm ET on Tuesday, April 27th on the PBS KIDS 24/7 channel.

Ready for more? Watch your favorite PBS KIDS shows on the 24/7 channel and live stream at pbskids.org/video/livetv or on your local PBS station.

Happy learning!
