

Find Your Badge Number

Figure Out Your Agent ID Number!

Odd Squad agents have a special number on their badges. The number comes from the letters in the agent's name. How does it work? Just follow these steps to find your own agent number.

Decode Your Name!

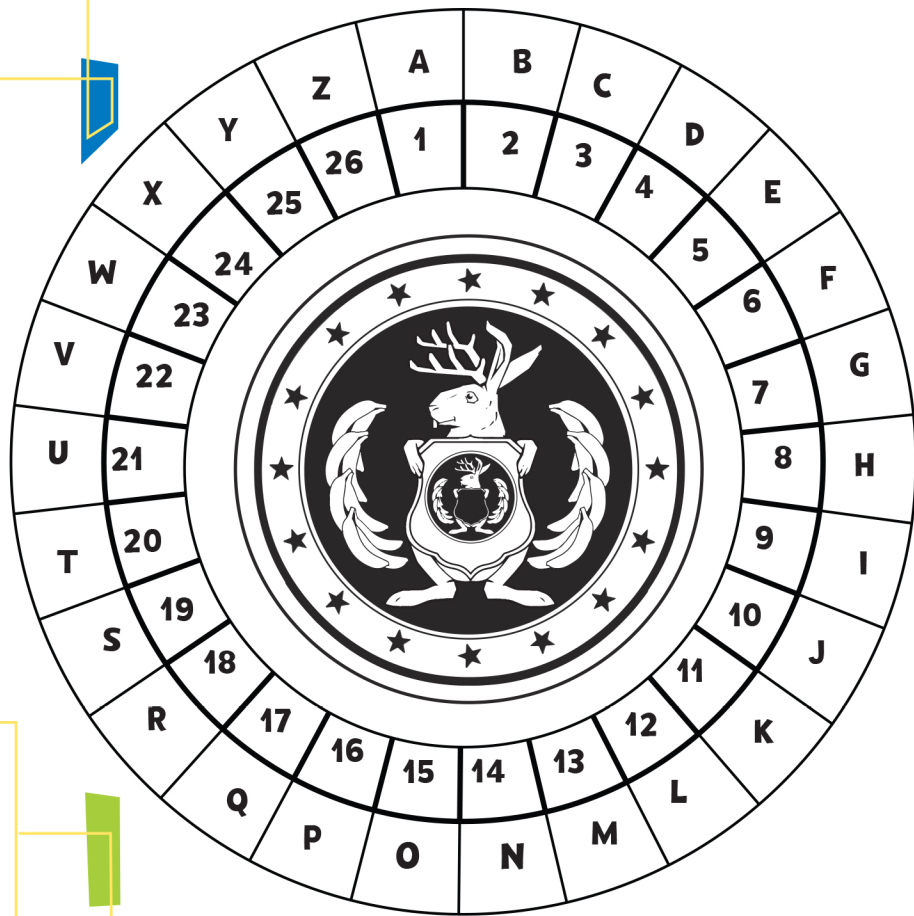

For example, if your name is Max, you would decode your name like this:

$$M = 13 \quad A = 1 \quad X = 24$$

Add Up the Numbers!

$$13 + 1 + 24 = 38$$

Max's badge number is **38**. To make it official, each agent would add the letter "O" to the front of his or her name, like this: Agent O'Max, #38.

Now do this for your name and join Odd Squad!
