Being Kind

BINGO

Learn at Home with PBS KIDS

**Week of
October 12th**

Hello, Families!

Welcome to "**Learn Along**" Bingo! We're happy to share PBS KIDS activities with you and to work with PBS member stations and community partners across the country to help support learning at home. With "Learn Along" Bingo, children can view, explore, and play as they learn alongside their PBS KIDS friends on the PBS KIDS 24/7 channel. We hope your family will use it to inspire learning each and every day.

It's Being Kind Week!

In this packet, there are printable activities and everyday learning ideas for you and your child to choose from. As you complete each square, mark it off to celebrate the learning.

Learning Spotlight: "Sharing Positive Interactions"

This week, we're learning how to share positive interactions with others. Positive interactions means talking and doing things with other people in kind ways.

Show What You Know: Friendship Cards

The last activity in this packet is a perfect way for children to show what they've learned about sharing positive interactions with a grown up.

Tune in: Watch the new PBS KIDS program, DANIEL TIGER'S NEIGHBORHOOD on Tuesday, October 13th at 4:30pm EDT on the PBS KIDS 24/7 channel.

Ready for more? Watch your favorite PBS KIDS shows on the 24/7 channel and live stream at pbskids.org/video/livetv or on your local PBS station.

Happy learning!

Washy Wash

Handwashing keeps us healthy. Be like Elmo and make sure to wash your hands often for **at least 20 seconds**—just enough time to sing this song once!

Wash, washy wash, washy wash.

Wash your hands.

Scrub 'em while you sing this song.

Wash, washy wash, washy wash, wash wash.

**Rub your hands and fingers,
and the places in between.**

Using soap and water makes your hands so clean.

Wash your hands.

Great job, you're almost done.

5, 4, 3, 2, 1

Now dry!

123

SESAME STREET

It's Time to Wash Your Hands!

Handwashing helps keep germs away. It's important to wash your hands throughout the day, before and after everyday activities. **Color in the pictures below**, then talk about other times when you need to wash your hands.

Talk together with kids: **"Why and when is it important to wash your hands?"**

KINDNESS LOOPS

Kindness Loops are interlocking paper loops that children can make to help them understand how to show kindness to others and to themselves.

Your family can make **Kindness Loops** together, or a child can make them on their own and decorate with drawings.

MATERIALS

Here's what you'll need to make **Kindness Loops**:

- A template (see following page) or colorful construction paper
- Tape or glue

INSTRUCTIONS

- Adults should cut the strips of paper for the loops.
- If you are doing this activity with your children, they could color or draw an act of kindness on each strip. They can also write their message. Offer help as needed.
- If you want to leave a surprise message, write or draw your message inside a loop.
- Tape or glue the two ends of the first strip together to make a circle.
- Put another strip through the circle you made, and tape or glue its two ends together.
- Continue looping and add loops as you like.

Talk as a family how you can show kindness to each other.

DANIEL TIGER'S NEIGHBORHOOD

Friendship Cards

Talk with your child about friendship and what makes a good friend. Ask them questions like: "Who are your special friends?," "What makes your friends special?" Help them fill in the cards, cut them out, and encourage your child to draw a picture on the back. Deliver them through the mail.

Hi Friend

You're Grr-ific

I Like You
