Learn at Home with PBS KIDS

**Week of
February 8th**

Hello, Families!

Welcome to **Learn Along Bingo!** We're happy to share PBS KIDS activities with you and to work with PBS member stations and community partners across the country to help support learning at home. With Learn Along Bingo, children can view, explore, and play as they learn alongside their PBS KIDS friends on the PBS KIDS 24/7 channel. We hope your family will use it to inspire learning each and every day.

It's Show You Care with Art Week!

In this packet, there are printable activities and everyday learning ideas for you and your child to choose from. As you complete each square, mark it off to celebrate the learning.

Learning Spotlight: Creating Art

Creating art helps us tell stories. We learn that art communicates ideas and feelings.

Show What You Know: Friendly Messages

The last activity in this packet is a perfect way for children to show through art or words that they care for others.

Tune in: Watch NATURE CAT at 12pm ET on Tuesday, February 9th on the PBS KIDS 24/7 channel.

Ready for more? Watch your favorite PBS KIDS shows on the 24/7 channel and live stream at pbskids.org/video/livetv or on your local PBS station.

Happy learning!

Create Your Own Accidental Art!

Have one family member start a drawing. It can be anything — a design, pattern, or picture of something. After a minute or two, pass it on to the next family member. Keep going until everyone has had a chance to add something. Congratulations! You've created "accidental" art.
