

Printable Postcard

Let's send a letter! You can use the postcard below to create a letter to send to a family member or friend.

To start, cut out the postcard below. Use the back side of the letter to draw a picture for whomever you're sending it to. Write your message on the left side of the postcard. Once you're done, use the checklist below to get your letter ready to send in the mail.

Letter Sending Checklist:

- 1. Write the full name and address of the person you're sending your postcard to on the lines.
- 2. Place a stamp on the postcard inside the marked stamp box.
- 3. Put the postcard in the mail. Now it's on its way!
