

# Crazy Creature Power Suits

[pbskids.org](http://pbskids.org)

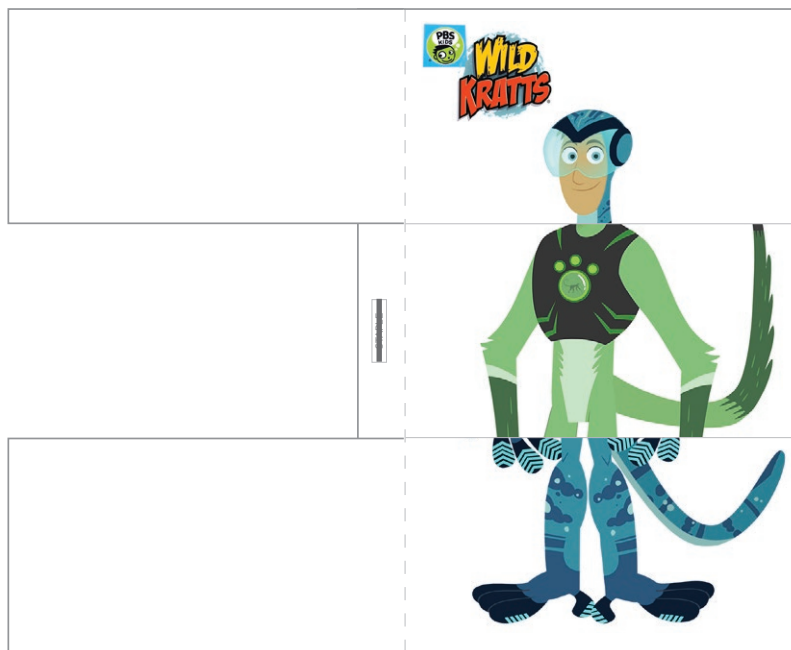

**What would happen if you crossed a gecko with a monkey? What creature powers would they have?**

**Use your creativity to combine Creature Power Suits and then make up a story about the creature that you made.**

## DIRECTIONS:

1. Cut out the Creature Power Suits on the outer, solid dark gray lines on each of the following pages.
2. **Optional:** Draw your own Creature Power Suits, or a picture of yourself, on the blank pages.
3. Stack the pages together in any order and staple the spine in the three boxes indicated.
4. Cut across the solid light gray lines on each page, dividing the head, torso, and legs of each Power Suit. Be sure not to cut past the dotted line. You still want the page to be held together by the column on the left.
5. Fold back the stapled pages on the dotted fold line.
6. Create crazy creature suits by flipping the pages to match different heads, torsos, and legs together.
