Gratitude BINGO

Learn at Home with PBS KIDS

**Week of
November 23rd**

Hello, Families!

Welcome to **Learn Along Bingo!** We're happy to share PBS KIDS activities with you and to work with PBS member stations and community partners across the country to help support learning at home. With Learn Along Bingo, children can view, explore, and play as they learn alongside their PBS KIDS friends on the PBS KIDS 24/7 channel. We hope your family will use it to inspire learning each and every day.

It's Gratitude Week!

In this packet, there are printable activities and everyday learning ideas for you and your child to choose from. As you complete each square, mark it off to celebrate the learning.

Learning Spotlight: Expressing Our Gratitude

This week, we're learning about how expressing our gratitude shows others how we feel when they help us.

Show What You Know: Gratitude Grams Activity

The last activity in this packet is a perfect way for children to express their gratitude to friends, family, and members in the community.

Tune in: Watch ARTHUR at 1pm ET on Tuesday, November 24th on the PBS KIDS 24/7 channel.

Ready for more? Watch your favorite PBS KIDS shows on the 24/7 channel and live stream at pbskids.org/video/livetv or on your local PBS station.

Happy learning!
