Sharing Stories/Compartamos Cuentos

Directions: Help young learners get to know more about their family and friends by collaborating on the storytelling activity below!

Dear Grown-Up,

Please tell a story about when you were a kid. For example:

- ✓ a favorite memory
- ✓ a family reunion
- ✓ a school experience

Together, draw a picture to go with the story.

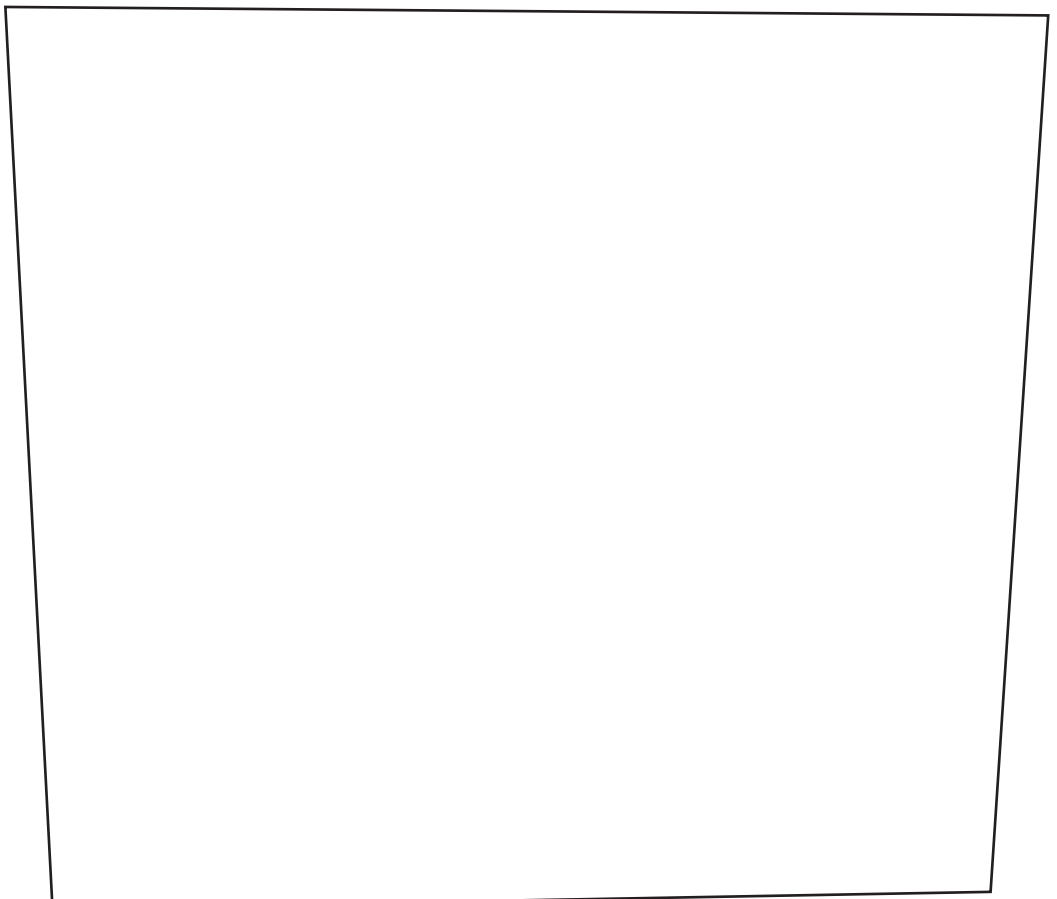

Muy apreciado adulto,

Por favor cuente un cuento de cuando usted era niño. Por ejemplo:

- ✓ un recuerdo favorito
- ✓ una tradición de la familia
- ✓ una experiencia en la escuela

Hagan juntos un dibujo para acompañar el cuento.
