

Rhyming Puzzle Pairs

Games, challenges, and puzzles are a **hee-hawesome** way to build emerging reading and writing skills while having creative fun with rhymes. Try this simple pairing activity with your child. Work together to cut out the puzzle pieces on the pages and mix them up, then as you both search for matching pieces, listen for similar patterns and sounds. After you've finished the matching activity, you can keep the fun going and host your own rhyming challenge. Each player comes up with a word that rhymes until they run out of words.
